

4-H Cheese Sale Fundraiser

2026

Support local dairy farmers and the Clinton County 4-H Program!

Sale Begins: October 1st, 2026

Orders and Money Due: On November 16th, 2026, to the CCE Clinton County office (all payments are due at the time of the order, **one check per club only**)

Pick Up Orders: As of right now cheese will be delivered in December (exact date TBD). We will let you know ahead of time if there are any changes. Please have one designated person (leader/parent) who will pick up your cheese on this day. The cheese needs to be picked up on the same day it is delivered since we do not have enough space to accommodate every club's order. The person picking up the order will have to go through the order to verify that your club's order is accurate before you leave the office. Please bring boxes or bags to carry items with.

Cheese Selling Guidelines:

PARTICIPATION: 4-H'ers need to be enrolled in Clinton County 4-H to sell cheese. Members participating in their own club fundraisers must have sold cheese or paper clovers for the county.

Safety: Cloverbuds can only sell door-to-door if accompanied by an adult. 4-H'ers in grades 3rd -8th selling door-to-door should be within eyesight of an adult.

Payment: Each 4-H club needs to bring one check or money order to the Extension Office which will cover their club members' entire orders. Orders made without payment will not be processed. Make checks or money orders payable to Cornell Cooperative Extension Clinton County or CCE Clinton County. Checks will not be held for deposits.

Cost:

- 8 oz. bars will be \$5.00 each
