Please remember that there is NO SLEEPING IN THE 4-H BARN. You must bring a tent and your own camping supplies; tents can be placed in the grassy area outside of the 4-H barn.

Reminder: All youth need to wear a helmet when handling a horse (leading, riding, and driving). Adults need to wear a helmet when riding and/or driving a horse.

We want to say a big thank you to our planning committee who have been meeting monthly with the 4-H teams to help plan horse Camp for everyone! If you see Donna Sorrell, Jamiee Bierman, or Chauntel Gilliland please give them a big thank you!

Tips for Parents

Courtesy of the Planning Committee—Parents who've been there!

- Make sure to bring:
 - Extra clothes for all family members
 - A cooler of drinks and food for ALL meals for the whole weekend
 - Sunscreen, hand sanitizer, and lip balm
 - Heavy clothes (coats, gloves, etc.) even if you don't think you'll need them.
 - Your patience
- Make sure your boots and helmets for your child are the proper fit and type. Check ahead with your leader if you are not sure.

- Know the times your child rides or participates in activities. Your child and horse must be in the designated area on time.
- Post an activity schedule in the tack stall or keep it with you.
- Be prepared for any weather. It has been known to rain and snow.
- Don't be afraid to volunteer to help. You don't need to be an expert or have any experience. We will teach you new roles if needed.
- No matter how well planned, things run late/run over, so plan accordingly.
- Don't hesitate to ask questions. Look for planning committee members (they will be wearing special nametags). We are happy to answer your questions.

Model Horse Show at Horse Camp!

Do you have Breyer horses and have an interest in model horse showing? Now is your chance for a practice show! We will have a volunteer judging the models and will announce when we are ready for youth to bring the class models over to the table area! They will be judged, and you can then pick up your models! For this first show we will JUST be doing BREED CLASSES. If you have any questions, please contact Jessica at jms943@cornell.edu.

When you bring your models to the table, please have an index card (we will have some at the tables as well) with your name, model breed and any information you want the judge to know 😊

Breed classes:

1. Light breeds
2. Sport breeds
3. Stock breeds
4. Racing breeds
5. Draft breeds
6. Gaited breeds
7. Pony breeds
8. Spanish breeds
9. Part & mixed breeds
10. Mules, donkeys & exotics
