

# MG Activity Log

**Master Gardener's Name** \_\_\_\_\_

Please note: This report should accurately reflect your Master Gardener Volunteer activities. It can be submitted at any time whether the form is 'full' or not, but it's best to submit it monthly or at least quarterly. Keep a copy for your own records.

*The mission of the Master Gardener Volunteer Program is to train volunteers to teach others how to protect the environment and grow plants more effectively.*

Use this part of the Activity Log to indicate hours you have volunteered doing projects and activities in keeping with the Master Gardener Mission Statement above. Monthly meetings count 1 hour here.
